Minutes from the 2014 Fall Meeting of the "10,000 Lakes Family Campers" recorded by Sharon Houg for Ginny Boom:

The meeting was called to order by Wagon Master, Bill Lovegren.

The Pledge of Allegiance was repeated by all 8 members present – George & Kathy Carlson, Dave & Barb Hemmer, Roger & Sharon Houg, Bill & Joanne Lovegren.

Note: Kathy Hanson also camped with us for most of the weekend.

The Treasurer's and Secretary's reports were omitted since they were not available.

Old Business included the mention of the good turnout we had at the Clearwater RV Park in August, hosted by Bill & Joanne Lovegren and Jan & Mark Berg. They donated \$105.00 and the non-perishable food to the Annandale Food Shelf. (Bill noted that the extra \$5 was donated by Ralph and Ada Hunstad.)

The International Rally, Sept. 9-14 was enjoyed by all of our group who attended. There were 46 RVs in attendance, 6 were from the 10,000 Lakes Family Campers.

The Fall Campout hosted by George and Kathy Carlson has been a unique learning experience in a wonderful location – the Minnesota Elks Youth Camp, near Nisswa. We missed those of you who could not attend, and are hoping that we can come back again so you can enjoy the venue as well.

The TPFC International rally for next year (2015) will be in Hiawassee, Georgia, at the Bald Mountain Camping Resort, September 22-24. Bill handed out the preregistration forms.

The "10,000 Lakes Family Campers" 2015 schedule is as follows:

May 14-17 at South Isle Campground, hosted by Dave & Barb Hemmer

August 14-16 at S'mores Campground near Long Prairie, hosted by Jerry & Kris Swanson

September 18-20 at Camp Faribo, hosted by Kathy Hanson

Bill thanked all the hosting volunteers!!!

Upcoming winter luncheons:

October - Bill Lovegren – plans to make arrangements with the Rancho Grande in Buffalo

November – Dallas & Lorna Leier, most likely in Coon Rapids

January – Jan & Mark Berg

February – George & Kathy Carlson will try for Gulden's 19<sup>th</sup> Hole.

Other Business: Discussion regarding possible ways to add new members. It was noted that Kathy Hanson suggested that she may be willing to print up a flyer/poster to be posted at campgrounds and telephone employee locations.

George Carlson thanked all for coming and for the help that was provided around the campground.

Barb Hemmer moved to adjourn. Kathy Carlson seconded, and the meeting was adjourned by Bill Lovegren, Wagon Master
